

Our congratulations to Marina Antonoglou, our new Ward 3 Councillor! We also want to thank outgoing Councillor Reid McAlpine for his long support of our efforts, and his many presentations at the URA. Our thanks also to all the candidates who stood for Ward 3, and attended our Candidate Meeting. Results for all the elected positions are available at [Markham Election Results](#). All results are unofficial until certified by Markham's City Clerk in the coming days.

A reminder that our next meeting takes place on Monday November 2nd at 7pm at the Stiver Mill next to the Old Unionville Train Station. We will be hearing about some programs and services available for older adults in Markham/Unionville. Staff members from both the Recreation Department and from the Library will be on hand to cover offerings from each department. Our sincere thanks to Mellissa Lawless, Program Supervisor, North Area Recreation Services, and Alex Ho, Community Outreach Coordinator, Markham Public Library, for coming to speak.

Please note our meetings may be recorded, including attendees.
